INFORMAL COMPLAINT TO THE CLERK OF COURT

I'm writing this informal complaint to try to bring to your attention an issue that I've been having with this Court: I've had several documents given to this Court for filing in this matter, however, many of them are not showing up on PACER as being filed. What is going on here?

I do not want to jump to any conclusions, and that is why I'm beginning with the filing of this "Informal" complaint; after all, the first step to solving any problem is identifying what the problem is. So, here I seek to put you on Notice of this problem that I'm having: That my documents are not all being properly filed here.

Please, I pray that you look into this issue for me, and do what you can to promptly resolve it. If there is something I'm missing, and for some reason all my documents have been filed, but I'm just not seeing them, then please let me know what I'm failing to see here. If they have not been filed, and then please file them all immediately.

Lastly, please know that this Informal Complaint serves as notice of my intent to file formal complaints with the appropriate people and or agencies in the event these issues persist.

Thank you for your time, Happy Holidays and God bless.

Sincerely,

Brandon Green 56400-054
